Howard Slepkov

It's hard to believe that the last time we were together in our sanctuary for Rosh HaShana was September 2019. As this week, and the start of 5783 on the Jewish calendar approached, it was not easy to know what to expect. Everything was done to try and ensure all went smoothly and, believe it or not, in the end, everything was wonderful.

Of course, it would be not unnatural to look at the empty pews and bemoan the fact that we were not as many as we once were. But, as you all know, I am a half-full cup kind of guy and I only saw all the people who felt safe enough to come out of their cocoon and reassure us all that there was life for our congregation after Covid. Not only did we see many who had not davened with us in three years, we saw new faces who we were happy to meet for the first time and that was as exciting as it gets.

A special thank-you to everyone who helped get us to this point and I won't mention all the names because someone might not be remembered. However, we especially want to acknowledge the time and effort put into ensuring that we had proper rabbinic leadership on our gorgeous bima. Rabbis Moshe and Harvey Meirovich worked together to lead us through meaningful and spiritually uplifting services despite the obstacles.

We look forward to seeing more of you next week for Kol Nidre through Ne'ila. Note the times elsewhere in today's eMessage. May we all be inscribed for a good year ahead, one of peace and health above all else.

Howard Slepkov

Jewish Student Looking for a Jewish Family

We recently received a request from a Belgian family looking for accommodations with a Jewish family for their son who will be studying at Niagara College:

"Hello - We are a Jewish family from Brussels, Belgium.

I would like to contact you regarding our son, Nathan, who is currently studying in Toronto. He is 18 years old and is doing a Gap Year (with Ilac).

From January until the end of April, he will be a student at Niagara College, as part of his English learning program.

We have just learned that he will probably not have a place in a university residence, as we thought. This is why I am contacting you. Do you think that a Jewish family could have a room for him? We will pay the housing costs. We don't want an "unknown" family, that's why we are turning to you.

Thank you very much for your help,
Melanie

Interested parties, please contact Serge in the office and he will give you Melanie's contact details - thank you!

It has come to our attention that the Canadian Cancer Society offers cancer patients transportation to their appointments and treatments for the Canadian Cancer Society through their [Wheels of Hope Program](#), and it is quickly apparent that there is a shortage of volunteers.

If you are interested and can spare at least a half day per week, they certainly could use the help. If not, please forward to anyone who might be willing to help.

THANK YOU!
