Out Of The Cold - Niagara

For many years our synagogue has volunteered in the OUT OF THE COLD program. This program is run by many churches in Niagara. Each night of the week the church provides a hot meal for homeless, lonely and needy people.

Our synagogue has participated in this program
for more years than I can remember.

Our synagogue sends 1 or 2 volunteers per month. It runs from November to March.
There is no contact with the recipients. The food is packaged up and slid across a table.
All volunteers wear masks.

If you're interested, please contact KAREN CAPLAN
@ 905.980.0317
or

**Help us fill the
shelves at

Their most needed food items are:

- Canned foods: meats, tuna, salmon, etc.
- Canned fruits and vegetables
- Juices (no sugar added)
- Healthy snacks (peanut-free)
- Peanut Butter

Canadian
Cancer
Society

Wheels of Hope

It has come to our attention that the Canadian Cancer Society offers cancer patients transportation to their appointments and treatments for the Canadian Cancer Society through their [Wheels of Hope Program](#), and it is quickly apparent that there is a shortage of volunteers.

If you are interested and can spare at least a half day per week, they certainly could use the help. If not, please forward to anyone who might be willing to help.

Please click on the link posted for more information on how to get involved...

THANK YOU!

are currently offering two programs:

1. The Reverse Shinshinim Year of Service in Eilat is an elite program available to a select group of high school graduates (17–22-year-olds). Shinshinim will have the unique and exciting opportunity to spend a gap year in the community of Eilat-Eilot, volunteering in social welfare, traveling Israel, and connecting with other Year of Service participants around Israel for meaningful programming.

2. Arevim enables young Jewish adults (17–22-year-old) to spend 10 months in Israel and enlist in a long-term volunteer program, strengthening their connection to Israel, reflecting on their Jewish identity, and living independently in Tel Aviv. They MAKE AN IMPACT, participants will be able to choose their volunteering placement within the areas of health, education, and welfare.
